## Know the Red Flags of Fraud

Have you received a call or text from someone claiming to be from Genisys and they ask you to verify personal or account information?

✔ We may contact you regarding an account issue or to ask if you made a particular card transaction.

### ▶ BUT we will NEVER call or text you and ask for these things!

- Debit card Personal Identification Numbers (PIN)
- The CVV 3 digit security number on the back of your cards
- Online and Mobile Banking passwords
- One-time passcodes sent to you via text or phone
- Full account numbers
- Personal information like how long you have been a member, your online security question answers

⚠ Because of the increase in spoofed caller ID, it's possible that the fraudsters may even appear to be calling you from a Genisys phone number. But if they call you and ask for any of the information above, you can be sure it's a fraudster.
