NEW TECHNOLOGY

- Google access on Nokia phones
- Dell email accounts
- Wireless digital picture frames that connect directly to online photo albums
- Digital video camera with direct upload to YouTube

- Car Camera Recorder Pro reduces blind spots and records accidents
- Kodak Image Sensor that improves photos from camera phones
- Livescribe Pulse Smartpen: It has ink and makes lines on paper, but it also records whatever you write or draw. It can:
 - Create 3D audio files
 - Create flash animations
 - Access commentary in a book
 - Write an email
- Coca Cola bottles that create ice made from the drink itself when the cap is twisted off
